

## Houston Global IAGC/OGP HSE & Security Forum - 24-25 September 2014

Workgroup / Topic	Highlight
Updates on OGP and IAGC workgroups & committees	
Clinical Practice Standards (Remote Medical International)	Use of case studies to illustrate best practices in incident case management. Discussed techniques to constrain unnecessary case escalation.
The Aging Workforce: Health Care Challenges in the Remote Environment (Remote MD)	Discussed the challenges of the aging workforce in remote work environments. Offered some solutions through well-designed, ongoing Health and Wellness programs, behavioral changes and highly trained medical teams to provide care.
Advances in the use of the MOPO (WesternGeco)	WesternGeco provided a review of their revised MOPO process which requires a time-based risk assessment of conditions and activities. WG has offered to share.
SEG HSSE Committee	New SEG committee formed in October 2013 to ensure that HSSE is taken into consideration for any activities that SEG manages or sponsors. Additional members welcome.

## Houston Global IAGC/OGP HSE & Security Forum - 24-25 September 2014
